

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

February 11, 1997 LB 86, 86A, 111A, 889

CLERK: Mr. President, new bill. (Read LB 889 by title for the first time. See page 569 of the Legislative Journal.)

SPEAKER WITHEM: Senator Dierks, for what purpose do you rise?

SENATOR DIERKS: Well, Mr. Speaker, members of the body, I just thought that as a matter of record I'd like it known that the Education Committee has a great load, workload over there, and Ag Committee is not too busy. We'd be very happy to take that bill in our committee. (Laughter.)

SPEAKER WITHEM: Your statements are, number one, out of order; number two, will be considered, I'm sure, by the Referencing Committee. Mr. Clerk.

CLERK: Mr. President, General File, first bill, LB 86A, by Senator Schellpeper. (Read title.)

SPEAKER WITHEM: Senator Schellpeper.

SENATOR SCHELLPEPER: Yes, Mr. Chairman and members. Last week we talked about LB 86, it deals with motor vehicles. There was no A bill at that time, but since then the Department of Motor Vehicles states that they need a one-time program change to the computer system that will cost \$10,000. It will come out of their Cash Fund and not the General Fund. So I would move for 86A this morning. Thank you.

SPEAKER WITHEM: You've heard the opening. Any discussion? Seeing none, Senator Schellpeper waives closing. The question is, shall LB 86A be advanced? All in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on the advancement of 86A.

SPEAKER WITHEM: LB 86A advances. Mr. Clerk, LB 111A.

CLERK: (LB) 111A, by Senator Brown. (Read title.)

SPEAKER WITHEM: Senator Brown.
